

# CRITERIAS FOR BEING ELIGIBLE FOR FREE SLIDES

**24Slides** is using our core competences to give back to organizations and individuals who need presentation design to create a positive impact in the world. This could for instance be presentations related to raising awareness and funds for charitable projects.

With this campaign, **24Slides** aims to support as many organizations as possible with on-brand presentations by using the talents of our many designers.

To get the free slides, submit your presentation via our platform at [24slides.com/order-now](https://24slides.com/order-now) and insert **SlideAid** into the comments.
